Address: **Lagos Island**

Price: **Free**

Sub white wife for rough use by young Dom blacks: Hi, I'm a submissive married woman, my husband is making me available to younger black guys as a rough sex slut slave, let me know if you would be interested. He would not be present. Right now I am training to receive spankings, beatings, deep rough anal, ass to mouth, and be used as a piss drinking urinal, also open to anything else you want to use me for
